GREETINGS CRAFTERS!

Many of you probably started working on crafts months ago. Your creativity and diligence is greatly appreciated, as they contribute to the cost of many programs offered at Gander Brook. Remember, when you bring your crafts to be displayed for sale, please price them beforehand. Looking forward to sharing the Gander Brook experience with all of you.

Craft Sale questions? Please contact Cyndi Osterhout at 860-564-5360

Note: We will not be offering baked goods for sale this year. Our snack table overflows with items for all. Gluten free items are also appreciated.

Child policy: The purpose of the Ladies Retreat is to enable all sisters to focus on their spiritual enrichment and refreshment with minimal distraction. We hope that attendees can make other arrangements for childcare. However, we understand that is not always possible. Therefore, the boys' cabins have been designated as an area for women who are bringing children. This allows for quiet hours in the dorm & girls' cabins and sensitive conversations.
